

## 1. How to download product photos for a specific product.

First, log in to our webshop and navigate to any product you need the photos for.

All products will show a 'Download Images' button, with which you can download all product photos for the selected color of that product.

# 2. How to download product photos for the fabrics you have ordered.

Log in to your personal dashboard on our webshop.

		Online Lookbooks and Magazines								
		BROWSE ONLINE LOOKBOOKS								

In your dashboard click on 'Media downloads' in the menu on the left. Click the collection you want all product photos from and a zip-file containing all pictures in 1500x1500 pixel jpg-format will download directly to your computer.

## 4. How to download our lookbooks in PDF format.

On the homepage of our webshop, click the BROWSE LOOKBOOKS button. This will take you to the overview-page of all current Lookbooks.

Once you have picked the Lookbook you want to download, click on it. Here you will be able to flip through the pages, or click the download-icon on the bottom of the screen.

You can download the entire lookbook in PDF format, or just the page that is showing currently.
